

ULLFROTTÉ 200

7222 Zip Turtleneck 200

Sizes: Unisex, XXS-XXXL

Colors:     

The garment is designed to be worn next to skin as a moisture wicking base layer. The terry loop fabric construction gives a flexible garment with very good insulation properties. The long sleeved zip turtleneck is made of circular knit fabric and have no lengthwise seams. A higher collar offers better protection in cold weather and can be zipped down for ventilation. The back is longer to prevent gaps. Cuffs are knitted in.
